

Bed Bug Integrated Pest Management Treatment Preparation Checklist

To provide you with the best possible service, we need your help. Please read and follow the following preparation instructions carefully.

Apartment # _____

Date and Time of Scheduled Treatment: _____

All Pets Must Be Removed Prior To Treatment

Before Treatment

- _____ 1. Do not remove any infested items from your apartment. The pest control company will do that.
- _____ 2. All dressers, nightstands, end tables, and shelf units should be emptied and there should be **NOTHING IN OR ON** them. We will need to turn your furniture upside down to treat thoroughly.
- _____ 3. All clothing from dressers and closets should be placed in plastic bags and laundered on the highest possible temperature settings. After laundering, the clothes should be placed in **new plastic bags**. Throw the old bags in the garbage outside of the building. The new bags should be sealed tight with duct tape or tied in a knot. **Clean clothes need only be placed in the dryer.**
- _____ 4. All items need to be removed from closets and placed in clear plastic bags.
- _____ 5. All carpets should be thoroughly vacuumed. The bag should be thrown out.
- _____ 6. **NOTHING** should be left stored underneath the bed.
- _____ 7. Bedding should be placed in plastic bags and laundered on the highest possible temperature settings. After laundering the bedding should be placed in new plastic bags. Throw the old bags in the garbage outside of the building. The new bags should be sealed tight with duct tape or tied in a knot.

After Treatment

- _____ 1. Allow 3-4 hours after treatment to enter the treated rooms.
- _____ 2. Do not store **anything** under the bed.
- _____ 3. If this is the first treatment leave clothes and possessions in sealed bags/ containers.
- _____ 4. These steps will need to be repeated in 10 to 14 days and then again in another 10 to 14 days. Therefore do not return items in dressers, etc. Place clothes needed in a separate bag or container.
